

INVITATION

You are warmly invited by Bridgwater College
to attend a Flock Visit organised by the
Llanwenog Sheep Breeders Support Group on
Saturday 14th July 2018

at Rodway Farm, Rodway Hill, Cannington, Bridgwater, Somerset, TA5 2LS

***THIS IS AN OPEN INVITATION FOR MEMBERS AND NON-MEMBERS OF
THE SOCIETY – SO SPREAD THE WORD AND BRING YOUR FRIENDS!!!***

The College's sheep flock has been restructured due to a change of management in 2016 and fortunately the Llanwenog as a native breed is part of this alongside a newly established pedigree Texel flock and a commercial flock (Mules & Texel crosses). The new Farm Manager's initial views of the breed very much reflect those of his predecessor in terms of ease of management, hardiness and less lameness.

Please notify the Secretary of numbers attending by
Friday 30th June 2017. for catering purposes
