Since the January Newsletter, how so much has changed. We trust that you and your families are well during these uncertain times. At the outset of this Covid19 I am sure many of you were already self-isolating in the lambing sheds before any Government asked you to do so and thought this would have passed by the time you finished the lambing!

The Working Committee's meeting in April was cancelled however, it was decided to hold the June meeting via 'Zoom' with matters now needing to be discussed and decisions made. Who would have imagined the Llanwenog Working Committee meeting via Zoom?!!!!!!

You will appreciate that there are different guidelines for England, Wales and Scotland at the moment and no-one can predict ahead. The Committee's decisions are therefore based on how things are now.

## Society's Show & Sale 2020

The Show and Sale will go ahead this year as usual. It will be run in line with the rules and regulations which will be in place at the time of the event. The Working Committee will be monitoring the situation over the coming weeks and are keeping in regular contact with the Auctioneer's and will advise closer to the event what, if any, changes there will be in place different to our usual event.

Entry Forms can be found on our [website](#) or don't forget you can enter via Grassroots (this option will be available from 1st July).

The [Photograph Competition](#) will still go ahead this year as the pictures from this are used for the Calendar.

## Society's Flock Visit, AGM and Dinner 2020

The Working Committee decided to monitor this and will be discussing it again at a later date.

### EWE REGISTRATIONS

New Price - £1.50 per ewe Lamb  
(£15 minimum)

### EWE & RAM REGISTRATIONS

Why not give it a go via the Grassroots Online Registration this year. You can find [instructions](#) on how to do various tasks on our website. It is the thought of getting started that takes the time, not the actual doing!

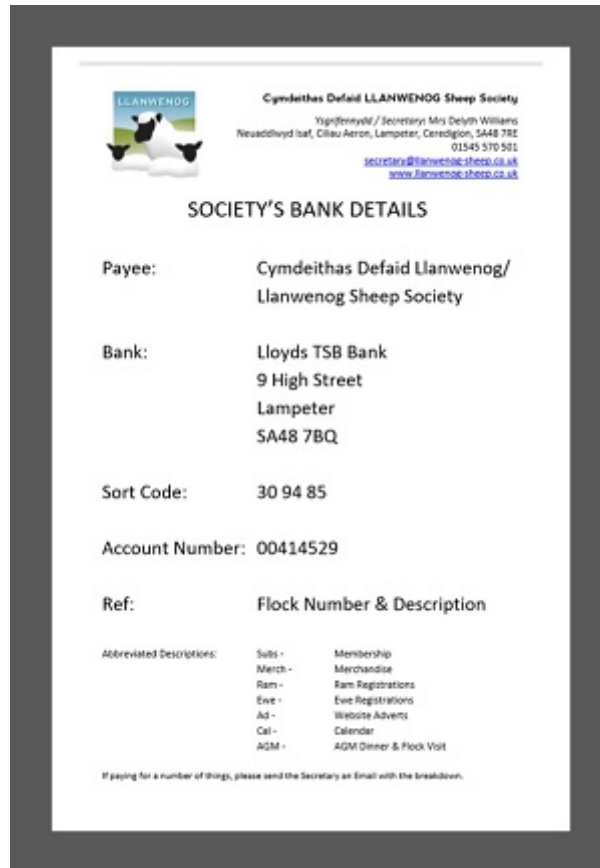

## Payments to the Society

The Society are now operating an online accounts system whereby we will be raising an invoice for any transactions made with the Society, i.e. registrations, merchandise, calendar etc. These invoices will be automatically Emailed to you direct from the software.

Memberships will be due for renewal on 1st October - don't forget to set up

## VIRTUAL SHOW

Annwyl True of the Penycoed Flock and Molly Fosgate of the Mali Flock suggested that we hold a Virtual Show this year with Show's having cancelled etc. The Working Committee are grateful to them for putting this together and to Penycoed Flock for sponsoring the rosette's. A [Schedule](#) can be found on our website together with further information. Good Luck to you all!
