We hope that this Email finds you and your family well during these uncertain times. Normally, I would be writing to you now with details on the Society's annual Flock Visit and Dinner and looking forward to meeting you. As with most things for 2020, and as previously advised, these have been cancelled for this year.

## AGM

After considerable consideration it was decided by the Working Committee that our AGM will be held Online, on it's original date, Saturday 7th November 2020 at 1.00pm. We will use [Zoom](#) as our Online Platform and if you have not already used Zoom you will need to download the App and sign-in, in readiness for the meeting - there is no cost to you. There are various plan options available but the 'free option' will be suffice for this purpose.

Although the Committee have been using Zoom to hold our meetings over the past few month's, we have been small in numbers. Therefore, please bear with us on the day, it will be a learning curve for many of us! We will be muting all as you enter the meeting so that there is no background noise. Should you wish to speak you will need to comment in the Chat box and you will be taken off mute at the President's request.

The Agenda and Minutes will be sent to you under cover of a separate Email shortly today.

If anyone has any amendments that they wish to make in respect of point 2 of

With regards to point 9, this will be strictly adhered to this year and only matters submitted in writing prior to the meeting will be raised and discussed.

There is no need for you to 'book in' prior to the meeting. An Email will be sent to all Members in the week leading up to the AGM with a link to join the meeting.

## UNDERSTANDING THE BREED POINTS

The Society has seen a number of new Members join over the last few year's from experienced sheep farmers to novice sheep keepers, located around the Country and all with the same aim of producing and improving their pedigree flock of Llanwenog Sheep. Some are lucky enough to be friends/living nearby to experienced Llanwenog breeders who are guiding them along their way. However, it has come to our attention that there are some Members who are not in this position but would like to be!

We appreciate that we have Area Representatives that you can approach but they do cover a large area and you may feel that they are too far away or you don't want to bother them.

We would therefore like to offer you the opportunity to be paired with an experienced breeder who can either be someone at the end of the telephone offering advice and/or guidance to coming out to the Farm and physically seeing your stock and giving you pointers.

Should you wish to accept this invitation, please Email the Secretary. If there is specific things that you would like assistance/guidance on then please include this in the Email to ensure that we get the right person to assist you.

We have also produced a [picture guide](#) of the Breed Points which may be of assistance to you.
